

Parking Lot and Camping Areas

Half Cabin Campground

Conveniently located off of trail #3, the Half Cabin Campground offers a panoramic vista of the Appalachian Mountains. After enjoying a night under the stars, you will awake to the sun rising over the beautiful mountain side. Half Cabin was designed to take full advantage of its magnificent surroundings. Half Cabin Campground offers primitive camping with tree shaded and open camping areas.

Remote Private Camps

The Remote Private Camps are limited to use, and they are on a first come first serve basis. These camping areas are only available during non hunting dates.

Riders are also able to park and unload at the Brimstone Recreation office or at Thompson's Yamaha.
